Original
Super
hero!**

This is our 11th year presenting the Crowell Public Library Bookmark Design Contest. Each year we receive amazing drawings and we expect this year to be just as outstanding.

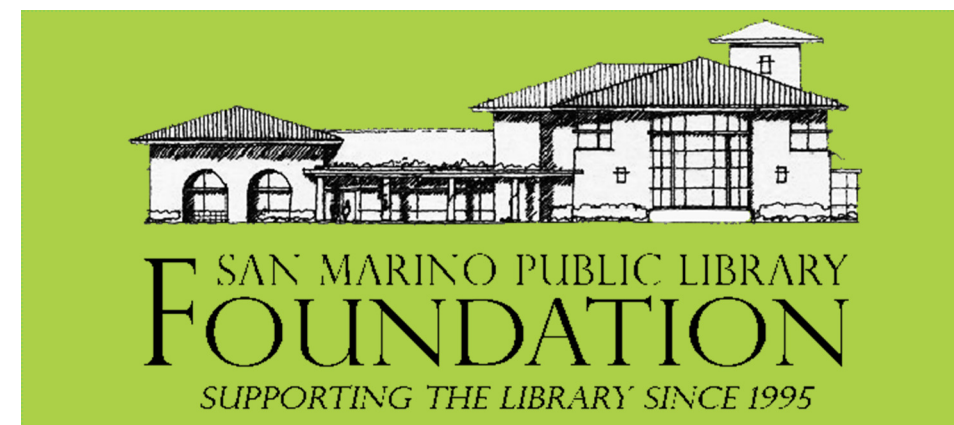

This year's theme is: *Draw Your Own Superhero!*

Entrants need to be 18 or under and have a Crowell Public Library card. There will be six winners, two from each of the following age groups: 8 and under, 9-13 and 14-18. Each winner will receive \$100 gift card. Each winning design will have a limited edition printing and offered in the Crowell Public Library in 2018.

The contest entry period is from November 15, 2017—December 13, 2017. Winners will be notified January 12, 2018 and unveiled to the public on January 27, 2018.

Stop by the library to pick up your entry form or go to crowellpubliclibrary.org to download your form. Submit completed entry forms to the reference librarians in the Crowell Public Library.

BOOKMARK CONTEST RETURNS!

10TH ANIVERSARY 2008—2018

In 2008, we had high hopes to provide a state-of-the-art library facility with public meeting rooms, study areas and flexible space to grow the library's collection. The building was to be the cornerstone of the community and a foundation with the core values and commitment to education, culture and the future. All things vital for an informed citizenry.

Today, the library receives over 220,000 visits per year, circulates over 250,000 items per year and ranks in the top 6% in the nation among libraries of similar size and budgets (Library Journal 2016). Last year, over 10,500 people attended the 175 adult programs, 75 school age programs and 130 pre-school programs hosted by the library.

Thank you! For your support of Delicious Destinations over the past six years! At this time, we are normally setting up the Library for our annual fundraiser with new destination backdrops to highlight our chosen entertainment, amazing silent auction items and delicious food. After six years, we decided we would take a step back and take our own vacation.

Your support of Delicious Destinations allowed the San Marino Public Library Foundation to provide funding for a new presentation and teaching equipment in the Barth Community Room, computers for public use, computers for library staff and the new RFID (Radio Frequency Identification) system to modernize library operations with self-check-out, as well as

stock management and inventory control. While much has been accomplished, we still need your help. Each year, the Crowell Public Library faces the challenge of providing unique programs, quality information services and the development of a robust book collection all within a modern learning environment.

As the library building enters its tenth year of community service welcoming and serving over 20,000 patrons per month, it is an ever more popular meeting place for community groups, children, adults and families. To meet the needs

of a 21st century library user, the library is exploring the expansion of e-book technology, mobile technology for library services as well as the upgrade of infrastructure.

You can support the Foundation through a gift in the enclosed envelope or online at our website sanmarinoplj.org. If you have any questions, please contact Cindy Chan at cchan@cityofsanmarino.org or at 626.300.0777 x544.

“Libraries are where the imagination begins” - Heather Barbieri

10TH ANIVERSARY 2008—2018

The library enjoys the support of three support groups: the Library Board of Trustees, Friends of the Crowell Public Library and the San Marino Public Library Foundation. Several community groups such as the Girl Scouts, Boy Scouts, National Charity League, San Marino Historical Society and Southwestern Academy and the local Rotary Chapter provide volunteers for a wide variety of community events, collaborative programs and joint presentations.

The Open House is an opportunity for the whole community to check out the library. Join us beginning at 10am to enjoy a bilingual Storytime, meet an artist, learn about Dakim brain training for seniors, see the unveiling of the 2018 Bookmark Design Contest winners, participate in games and afternoon entertainment by David Cousin, a multiple world-record holding juggler. Sure to be a fun time for the whole family.

On January 27, 2018, the San Marino Public Library Foundation invites you to join us for the Crowell Public Library Open House. Come celebrate, see what the library has in store for you in 2018 and learn how it continues to strive to meet the needs of the community each day.

It is through the generosity of the community that the library is able to continue to offer outstanding programs, titles and experiences. Your tax-deductible donations help us make a huge difference in being able to bring you the best programs and services. Thank you for your generosity in making this library possible.

DAKIM BRAIN FITNESS

Dakim Brain Fitness is designed to keep your mind active and sharp. The Crowell Public Library is the only public library in the country that has it. Clinical tests at UCLA have shown that using Dakim improves memory and language abilities. The Dakim Brain Fitness program is an easy to use touch screen computer designed for individuals in their 50s and beyond. To learn more sign up for an orientation to find out all about it. If you like it you can make appointments or drop-in for 20 minute sessions up to five times a week. The San Marino Public Library Foundation has provided funding for this program.

The San Marino Public Library Foundation is a tax exempt 501 (c) (3) charitable organization organized in 1995 to fund a state-of-the-art electronic information system to connect the library and the local schools system. The Foundation conducted the capital campaign which raised over \$10 million to help build the current Crowell Public Library. Today, the Foundation endeavors to fulfill its mission to support and enrich the library and to provide an endowment to support the Crowell Public Library. For more information, contact the Foundation at 626.300.0777 x544 or at cchan@cityofsanmarino.org.
